# INTRODUCTION

California's asset forfeiture statute, section 11495 of the Health and Safety Code, requires the Attorney General to publish an annual report that provides the following information for the state and each county:

- The number of forfeiture actions initiated during the report year.
- The number of cases and the administrative number or court docket number of each case for which forfeiture was ordered or declared during the report year.
- The value of the assets forfeited during the report year.
- The dates of the disbursements, the recipients of the funds, and the amounts received.

The information contained in this report covers seizures and forfeitures conducted pursuant to California law only. Federal seizures and forfeitures in which California law enforcement agencies participated or shared are not reported in this document.

The 22nd annual report covers the 2016 calendar year.

# HIGHLIGHTS

Statistics were solicited from California's 58 counties, 52 of which provided information for this report.

- A total of 3,230 forfeiture proceedings were initiated in 2016.
- A total of 2,739 forfeiture cases were completed during 2016, which included cases initiated in 2016 and prior years. The total value of the disbursed assets is \$37,915,514.
- Four counties reported no forfeiture cases initiated and six counties reported no forfeiture cases completed in 2016. Six counties did not participate in this report.

# METHODOLOGY

To comply with the requirements of Health and Safety Code section 11495, the Department of Justice (DOJ) reaches out to all California district attorneys, the officials conducting state forfeiture proceedings, to provide the DOJ with the required information for each forfeiture action conducted during the reporting period.

The DOJ collects the statistical data from all participating counties and converts the information into a uniform format suitable for printing. Prior to publishing this report, the counties are provided with a draft and have an opportunity to make corrections.

This report provides the information required by Health and Safety Code section 11495 on all forfeitures initiated during calendar year 2016, both by county and statewide. For forfeitures completed during calendar year 2016, detailed information is provided including the total number of completed cases, case numbers, asset values, and recipients of the forfeited assets.

Pursuant to Health and Safety Code section 11489, State asset forfeiture proceeds are distributed as follows:

- One percent to a private, nonprofit organization composed of local prosecutors for the exclusive purpose of providing a statewide program of education and training for prosecutors and law enforcement in the ethics and proper use of State asset forfeiture laws.
- Ten percent to the prosecutorial agency that processes the forfeiture action.
- Twenty-four percent to the State General Fund.
- Sixty-five percent to the state and/or local law enforcement agencies that participated in the seizure of the assets, distributed in a manner that reflects the proportionate contribution of each agency.

Fifteen percent of the funds distributed to law enforcement must be deposited in a special fund which is maintained by a council made up of local government entities. This fund shall be used for the sole purpose of funding programs designed to combat drug abuse and divert gang activity.

## METHODOLOGY continued

Some counties have reported the disposition of 15 percent of their share to a special fund, while others have not, nor are they required to. For those counties that include the 15 percent, the special fund's share is listed in Table 3 as going to "15%-11489" or to a county special fund.

In some cases in which the report lists only one law enforcement recipient, that agency may have made further distributions to other law enforcement agencies that assisted in that case.

# forfeitures COMPLETED

- Table 2 provides summary information on asset forfeiture actions completed pursuant to California law during 2016. This includes disbursement information on cases initiated in 2016 and prior years.
- For purposes of this report, an asset forfeiture case is considered completed when forfeiture has been ordered or declared and all assets have been distributed (When all seized items are returned to the defendant following adjudication of a previously-initiated case, it is no longer considered to be an asset forfeiture case.)
- Table 3 provides detailed information on each asset forfeiture case that was completed during 2016. This includes disbursement information on cases initiated in 2016 and prior years.
- Cases for which only a partial distribution was made during 2016 are not listed in Table 3, as they are considered still pending. They will be reported once they are fully distributed.
- El Dorado, Glenn, Lassen, Modoc, Mono, and Plumas counties have no information listed in Table 2 because they did not distribute assets from any forfeiture cases during 2016.
- The following counties did not participate in this report: Alpine, Del Norte, Mariposa, San Benito, Santa Barbara, and Sierra.
